Domesticated Animal Registration

Township Code requires all Domesticated farm animals be registered. Licenses are issued by the Health Department, 2nd Floor Municipal Building.

§ 91-32.1 **Registration of Domesticated Farm Animals Required:**

Domesticated farm animals, must be registered with the Cedar Grove Health Department annually. An annual fee of \$5.00 per animal must be paid for each registration.

Enclosures must comply with township code, which can be reviewed on line at <http://www.ecode360.com/9244067> . Please provide a site plan showing size of enclosure as well as setbacks with your initial registration.

For questions, please contact Dee Riou (973)239-1410 x224 or HealthDept@cedargrovenj.org

The Cedar Grove Health Department reminds residents that animal waste can pollute our waters. It is required that animal waste be immediately and properly disposed of. Please follow TOWNSHIP CODE 91-11 and maintain a clean and sanitary environment.

Violations may be reported to the Health Department or the Police Department.
