# remyndr

The Township of Cedar Grove is pleased to announce the launch of Remyndr - a smart phone notification tool that helps simplify curbside recycling by providing zone-specific reminders detailing curbside pickup items.  Remyndr is a free and simple app that will notify you the night before any curbside collection, tell you what goes out for pickup and alert you when there is a problem.

Simply follow the instructions below to download your free app and start receiving personal reminders.
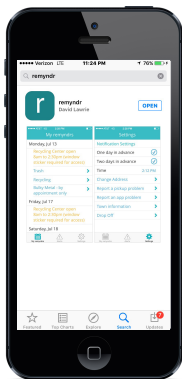

1.  **Using your smartphone, go to the Apple App or Google Play store.**

2.  **Search for and download Remyndr.**

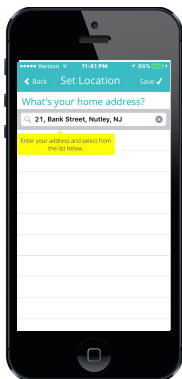

3.  **Open the app and enter your address. You're all set!**

4.  **A simple notification will appear on your phone to remind you the night before each pickup.**

5.  **A text will alert you if there's a collection problem.**
