

## Chapter 217. Sewers

### § 217-14. Facilities to be provided and maintained by owner.

- A. Where preliminary treatment facilities are provided for any waters or wastes, they shall be maintained continuously in satisfactory and effective operation by the owner at his expense.
- B. No person shall discharge or cause to be discharged through an illicit connection to the municipal separate storm sewer system operated by the township of Cedar Grove any domestic sewage, noncontact cooling water, process wastewater, or other industrial waste (other than stormwater).

[Added 2-5-2007 by Ord. No. 07-666<sup>[1]</sup>]

[1] *Editor's Note: This ordinance also provided for the redesignation of former Subsection B as Subsection C.*

- C. Where necessary, the owner of any property served by a building sewer carrying industrial wastes shall install a suitable control manhole in the building sewer to facilitate observation, sampling and measurement of the wastes. Such manholes, when required, shall be accessibly and safely located and shall be constructed in accordance with plans approved by the Township Engineer. The manholes shall be installed by the owner at his expense and shall be maintained by him so as to be safe and accessible at all times.
