**Township of Cedar Grove
Essex County, New Jersey**

Dear Businesses/Property owners:

This letter is to inform you that on or about **Monday April 26th to Wednesday April 28th 2021** American Asphalt & Milling Services LLC will be performing Milling & Paving operations at the following location;

➤ **Ozone Avenue (Between Commerce Court & Pompton Avenue)**

All work will be conducted from 7am to 5pm, Monday to Wednesday, ***weather permitting***. Local traffic should expect delays during all phases of the operation, traffic will be **detoured by the Police with signs during the Milling and Paving operations.**

We ask the residents on Ozone Avenue to move their vehicle from driveways and park on neighboring side streets during the milling and paving operations. You can re-enter driveways by the end of day when traffic control barrels are lifted. There will be limited access to your driveway prior to and during **Paving and Milling** activities. Please be advised that once **Paving** begins access to individual driveways will be limited until the road surface is ready for traffic, sometime at the end of the day.

American Asphalt & Milling Services LLC thanks you in advance for your patience, cooperation, and understanding during the construction period. Rest assured that we will do everything possible to minimize the impact of our activities on your neighborhood. Any questions can be directed to the Township Engineering Department at 973-239-1410 ext. 280.

Best regards,

Raquel Vallejo

Assistant Project Manager
