Description: The Recreation Competitive Cheerleading Squad is coached by Ashley San Giacomo. This is Ashley's first year with Cedar Grove Competition Cheer. She has over 10 years of experience in competitive cheerleading with high school and Division 1 Collegiate Cheer Programs. Ashley cheered at La Salle University in Philadelphia, PA. Over the years Ashley has choreographed and coached teams from youth to High school in all levels of competition leading teams to Regional and National Competitions.

Team Information: The team will begin regular practices in September but we are looking to plan some stunt/choreograph clinics in August as well. Expect the season to run through March. Practices will be held two days per week. *Please expect to travel to 6-8 cheerleading competitions throughout the season. Two or more cheer teams will be formed based on age.

Parent Help: Being that we are undergoing some changes in coaching staff and such, we ask that parents please volunteer to help with fundraising, helping at practices, sending team emails, etc... There will be an option upon registration if you are interested in helping.
