PARENT'S CODE OF ETHICS

Parents are here to provide positive support, care, and encouragement for children and staff involved in the youth sports program by following this Parent's Code of Ethics:

- I will encourage good sportsmanship by demonstrating positive support for all players, coaches and officials at every game, practice or other youth sports events.
- I will place the emotional and physical well-being of my child ahead of my personal desire to win.
- I understand that volunteering to help out at meets mandatory for parents.
- **I understand that I must sign my child up for each swim meet by confirming with the Coaches (cgcoaches3@gmail.com) by 6:00pm at least 4 days prior to a meet. Failure to do so will result in my child not being entered and allowed to participate in the meet.**
- I understand that if my child does not show up to a meet without notifying the coaches, my child will not be able to attend the following meet.
- I will insist that my child play in a safe and healthy environment.
- I understand that the coaches have my child's best interest in mind and will not interrupt or approach coaches during a swim meet or practice. If you need to contact a coach during the season, you can email at cgcoaches3@gmail.com.
- I will support coaches and officials working with my child, in order to encourage a positive and enjoyable experience for all.
- I will be respectful and courteous when speaking to coaches, officials and other volunteers.
- I will demand a sports environment for my child that is free from drugs, tobacco and alcohol and will refrain from their use at all youth sports events.
- I will remember that the game is for youth – not adults.
- I will do my very best to make youth sports fun for my child.
- I will ask my child to treat other players, coaches, fans and officials with respect regardless of race, sex, creed or ability.
- I will help my child enjoy the youth sports experience by doing whatever I can, such as being a respectful fan, assisting with coaching, or providing transportation.
