

**TOWNSHIP OF CEDAR GROVE
ESSEX COUNTY, NEW JERSEY**

STORM DAMAGE GRANT APPLICATION 2022

This application is in response to the Township’s desire to assist Township residents who have suffered property damage due to a severe stormwater event. The amount of funding for this year is \$25,000.00 for those properties that have streams, swales, etc. along low grade areas and have been inundated with excessive volumes of water causing erosion and deposits of debris.

A Cedar Grove Resident who has sustained such damage due to said rainfall event can apply for the Grant to fund restoration work. All applications will be reviewed upon submission to the Township Engineering Department on a first come - first serve basis. Decisions will be made based upon investigation of the storm event and resulting damage.

Streams, swales and portions of property damaged cannot be within Township, County and/or State easements or rights of way where other entities may have jurisdiction to provide assistance. Photos of areas in question may also be submitted. The Township will render a decision and fund the property owner the estimated amount to pay for restoration work.

The Township will not be involved in the process of selecting a contractor. Property owner will contract separately for the work to be completed. Please submit completed application to the Township Engineering Department, 340 Little Falls Road, Cedar Grove New Jersey 07009
