

TOWNSHIP OF CEDAR GROVE
CHECKLIST AND INSTRUCTION FOR APPLICATION
ZONING BOARD OF ADJUSTMENT

Please review the following instructions carefully before you file your application. A failure to follow the checklist or to provide required documentation will delay your application and hearing.

Please remember to submit your original signed application with the requested copies, and be sure that all owners and all applicants sign where requested.

The proper number of site plans should accompany your application or required renderings, signed, sealed and folded.

Your filing fees shall be submitted on a separate check from your escrow review fees. Any unused escrow funds will be refunded to you after your application is completed; you may be asked to deposit additional funds to your account should it become depleted during the application process. County filing fees should be mailed directly to the County.

You may obtain tax certification from the Tax Collector's office. All taxes and assessments on the subject property must be paid up-to-date.

The Planning Department will review your application after submission. Within forty-five (45) days you will receive a written notification advising you of your application status. If your application is deemed incomplete, the notice will advise you in what manner it is deficient. When all missing items are submitted or necessary corrections are made, the application will be scheduled with the Board.

You will find attached to this instruction sheet the specific checklist for your application, a County application form, information about legal notices and a sample format. We hope that this information is helpful but recognize that you may have many questions. Please do not hesitate to contact the Planning Office at (973) 239-1410 ext. 242 for any further information or clarification, and I will be happy to assist you in any way possible.
